Custom Products

Drain-Net Technologies, we pride ourselves in our ability to deliver customized product solutions. Our years of experience combined with our highly skilled metal and plastic fab shops sets us apart. We have developed customized baskets, drain locks, drain strainers, trench drain strainers, grease traps and many other products at our customers' request. In fact, many of our great products have come about by working with customers to solve their unique challenges. So please don't hesitate to give us a call at 1-844-564-9216 or visit www.customstrainers.com

About

Drain-Net Technologies is changing the way the restaurant industry approaches drain line maintenance. The large amount of food, grease, and debris found in a commercial kitchen makes restaurants highly susceptible to drain backups and plumbing emergencies. A "reactionary" approach to this problem is very costly and a major headache to restaurant staff. That is why Drain-Net Technologies has developed simple "preventative" solutions to solve common plumbing problems. With products that are safe easy to use, our customers can dramatically reduce or eliminate drain backups, cleaning services, and costly repairs. Drain-Net Technologies was founded in 2003. We are a Veteran Owned Business.

FLOOR DRAIN STRAINERS

Flexible Drain Sock

Disposable nylon mesh floor drain strainer which can capture most kitchen waste. Flexibility ideal for short, curved, or irregularly shaped drains.

PDN020F - 2" Drain - \$3.85

PDN030F - 3" Drain - \$4.15

PDN040F - 4" Drain - \$4.44

PDN060F - 6" Drain - \$9.35

Fine Mesh Drain Sock

Similar to the Flexible Drain Sock, but with a finer mesh to keep rice, hair, and other small debris out of your drains.

PDN030FM - 3" Drain - \$4.25

PDN040FM - 4" Drain - \$4.54

Plastic Cone Drain Strainer

Ideal choice for most restaurant and commercial kitchen drains. Balances strength, durability, straining capacity, and affordability.

PDN020PR - 2" Drain - \$8.25

PDN030PR - 3" Drain - \$9.35

PDN040PR - 4" Drain - \$10.45

Solid White Drain Sock

A floor drain strainer to keep sand, dirt, drywall dust, and fine debris out of your drains.

DNS020 - 2" Drain - \$3.85

DNS030 - 3" Drain - \$4.15

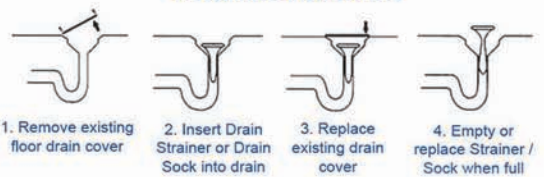

DNS040 - 4" Drain - \$4.44

Measuring a Floor Drain

Installation Instructions

Easy-Clean Drain System

- 1) Insert Plastic Cone Drain Strainer into floor drain (sold separately)
- 2) Insert Disposable Filter-Net into Plastic Drain-Net Strainer
- 3) When Filter-Net is full, throw away and replace with a new one. No drain clogs, mess, or hassle.

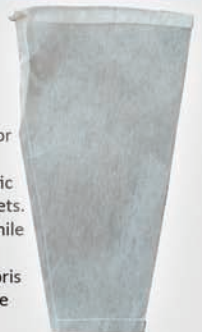

Box of 20 Filter-Net's

PDN030FN - 3" Drain - \$30.00

PDN040FN - 4" Drain - \$30.00

Never before has cleaning your floor drains been as easy as replacing a coffee filter! All you need is a Plastic Cone Strainer and a box of Filter-Nets. This system filters out all debris, while only taking seconds to maintain. Filter-Net which catches all the debris going down your drains, but lets the water pass through!

See website for the Grease Sock!

The Grease Absorbent Sock is the best way to prevent fats, oils, and grease from clogging facility floor drains. It is a filter-net filled with absorbent material that you place in our Plastic Cone Drain Strainer.

STAINLESS STEEL STRAINERS

Stainless Steel Perforated Floor Drain Strainer

PPDN020S	- 2" Drain 4" Long	- \$66.00
PPDN020	- 2" Drain 6" Long	- \$68.00
PPDN020L	- 2" Drain 8" Long	- \$70.00
PPDN030S	- 3" Drain 4" Long	- \$72.00
PPDN030	- 3" Drain 6" Long	- \$75.00
PPDN030L	- 3" Drain 8" Long	- \$77.00
PPDN040S	- 4" Drain 4" Long	- \$77.00
PPDN040	- 4" Drain 6" Long	- \$83.00
PPDN040L	- 4" Drain 8" Long	- \$84.00

Keep your facility pipes and plumbing free of drain clogs with this perforated stainless steel floor drain strainer. The crossbar across the top makes it easy to insert and pull out of drains. Captures food, debris, trash, and other materials that can cause drain clogs.

These stainless steel strainers are ideal for restaurants, commercial kitchens, manufacturing plants, food processing facilities, and other applications where floor drains encounter high abuse. These come standard with 1/8" perforations, but other perforations and sizes are available.

➔ Contact us for custom sizes!

Trench Drain Strainer Insert

We have designed this drain strainer to fit the majority of curved trench drains. The flange on our drain strainer is designed to bend in either direction, to create a perfect fit with your trench drain. Please allow 1 week production for 6" diameter. All others are stock.

TDS-340	- \$132 - 3" Diameter x 4" Long
TDS-380	- \$132 - 3" Diameter x 8" Long
TDS-440	- \$132 - 4" Diameter x 4" Long
TDS-480	- \$132 - 4" Diameter x 8" Long
TDS-640	- \$175 - 6" Diameter x 4" Long
TDS-680	- \$195 - 6" Diameter x 8" Long

Don't let
your trench
drains look
like this!

U-Shaped Trench Drain Liner

Sturdy Stainless Steel Construction with a handle for easy removal. It is 4" wide and 1 7/8" tall and has 1/8" perforated to catch food scrap, trash, and debris.

UTDS-24	- \$149 - 4" Wide x 2' Long
UTDS-36	- \$199 - 4" Wide x 3' Long

Custom Trench Drain Strainer

We can create a custom strainer to sit inside the entire length of your trench drain. For a free quote please call us at 908-236-0277 or email us at sales@drain-net.com

DRAIN COVERS & GRATES

**Makes it easy to access
Floor Drain Strainers!**

Replace broken or rusted drain grates (Compatible with Smith Floor Drains). The unique hinged design allows for easy access for drain cleaning. Made of reinforced nickle-bronze for added strength and durability. Supplied with tamper-proof screws.

D1102-1152 - 5" Round Hinged Floor Drain - \$18.95

D1102-1153 - 6" Round Hinged Floor Drain - \$26.95

D1102-1135 - 7-3/8" Square Hinged Floor Drain - \$44.95

142-1522 - Tamperproof screw tool - \$14.65

Drain Funnel for Indirect Waste Draining

Attach this drain funnel to any type of floor drain grate (that is 4" or larger) for indirect draining of up to three 1-1/2" drain pipes. Helps contain condensate waste from multiple sources. This will help comply with health codes that require a 2" air gap. The outer diameter is 5". Includes mounting hardware.

D102-1164 - \$143.00

Adjustable Floor Drain Cover

Replace rusted or broken cast iron strainers or bar grates with this adjustable drain strainer made of durable stainless steel. Fits multiple drain sizes so you don't have to waste your time looking for a direct replacement cover. To install, attach the bolts and clips through the slotted openings of the stainless steel drain cover and adjust them to a snug fit.

SMALL Size: 7 1/4" in diameter, fits drain openings 3 1/4" - 6 3/4"

LARGE Size: 9 1/4" in diameter, fits drain openings 5 1/4" - 8 3/4"

DN847-7 (SMALL) - \$21.95

DN847-9 (LARGE) - \$52.49

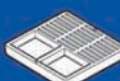

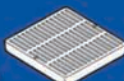

Dome Strainer 5"

The precision molded dome strainer offers an alternative to higher priced metal domes. Maximum service temperature rated at (140F) +60C. Lightweight, easy to install and has excellent resistance to chemicals such as acids contained in fruits, vegetables and fatty substances.

DN394712-4 - \$11.50

Floor Sink Replacement Grates

These plastic grates will not chip, rust, or corrode. They are designed to conform to plumbing codes.

Call for replacement
round grates

D394709A - 9 x 9 inch - Full Grate - \$25.53

D394709B - 9 x 9 inch - Three Quarters Grate - \$23.50

D394709C - 9 x 9 inch - Half Grate - \$25.67

D394712A - 12 x 12 inch - Full Grate - \$32.75

D394712B - 12 x 12 inch - Three Quarters Grate - \$32.50

D394712C - 12 x 12 inch - Half Grate - \$29.33

FLOOR SINK BASKETS

Floor Sink Baskets

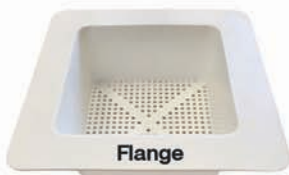

Prevent drain clogs and costly repairs to pipes before they occur by putting a floor sink basket in every floor sink. Don't get stuck with old baskets that only have holes in the bottom. Our baskets feature slotted sides, so when the basket fills up, water flow doesn't slow down! Dishwasher safe. Measure the inside (top) of the floor sink to determine size.

What's What? We have lots of basket options to make your floor sink basket work for you.

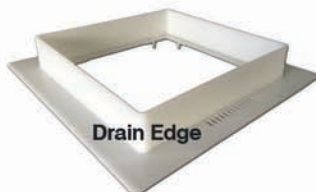

Handle

Handle allows for safe removal of basket. Our new design can snap into any slot so that you can avoid down pipes and grate covers. Skinny design to prevent splashing from down pipe and avoid grate covers.

Flange

A flange wraps around the basket, keeping the basket elevated (to fit over dome strainers). It also covers up ugly & rusted floor sinks. Some flanges are welded to the basket, and others are removable.

Drain Edge

The Drain Edge prevents water from spilling onto the floor, increasing safety and preventing slip and fall accidents. Helps you meet National Plumbing Code with proper air gap.

DN65 - 6.5" Basket - \$19.25

DN85 - 8.5" Basket - \$19.95

DN65H - 6.5" Basket with Handle - \$22.25

DN85H - 8.5" Basket with Handle - \$22.95

DN65F - 6.5" Basket with Flange - \$46.50

D102-1118 - 8.5" Basket with Flange - \$34.95

DN85H-FBA - 8.5" Basket with Removable Flange & Handle - \$22.95

DN85H-FBA-E - 8.5" Basket with Removable Flange & Drain Edge & Handle - \$24.95

DN80FHG - 8" Square x 4.25" deep basket with Flange and Grate - \$44.95

New Safety Handle!

Does your facility have ugly, rusted floor sinks?
Give them a new look with the Flange Basket Assembly!

Round Floor Sink Baskets

The Round Strainer Basket features four slitted sides and a slitted bottom so that water is able to freely flow through the strainer while capturing small food particles and debris, even as small as rice.

DN65R - 6.5" Round Basket - \$17.50

DN85R - 8.5" Round Basket - \$18.50

Got a hard to reach floor sink? Get a Reacher / Grabber!

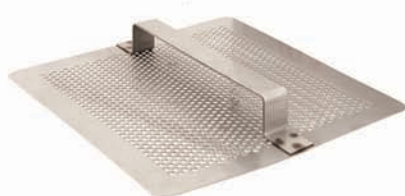

D15400-02 - 32" Long Reacher Grabber- \$19.95

D7702-03 - Trash Pick-up Tool, 36" Long - \$17.95

STAINLESS STEEL BASKETS

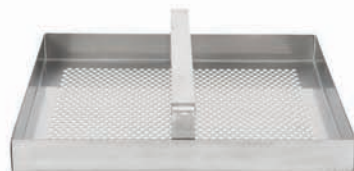

Prevent your mop or floor sink drain pipes from clogging with these stainless steel floor sink strainers. Perfect for use in any commercial kitchen, bar, or restaurant. Most baskets feature handles for easy removal.

Made of durable 304 Stainless Steel, this strainer basket is perfect for 10" floor sinks.
TGSS310 - \$26.92

Retrofit Stainless Steel Liner for Floor Sinks

The new Stainless Steel Floor Sink Liner features a universal design that fits most floor sinks and its simple drop-in design eliminates costly reconstruction and production downtime. Traditional retrofit construction often involves ripping out concrete, creating a dust barrier—or the temporary removal of product—to avoid contamination, and then the clean-up and re-stocking steps. This retrofit solution avoids these headaches, saving time and money.

- Save time and money (up to 50% cost savings) versus traditional floor sink replacement
- Simple, easy installation with push-fit connection and no messy caulking
- Universal design fits most floor sinks
- Sanitary, attractive stainless steel finish
- Features 18 gage, all type 304 (CF8) fabricated stainless steel
- Includes perforated removable dome strainer and
- Includes light-duty slotted, loose set grate

Sizes and Options:

- 12" Floor Sink x 10" Deep - \$549.95
- 12" Floor Sink x 8" Deep - \$509.95
- 12" Floor Sink x 6" Deep - 474.95
- 8" Floor Sink x 6" Deep - \$394.95

Outlet Sizes Available: 2", 3", or 4"

Grates Available: Full, Three-Quarters, Half

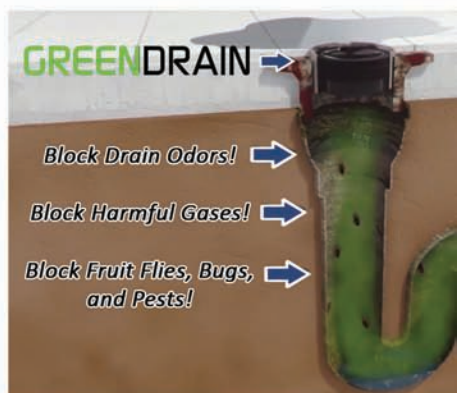

UNIQUE DRAIN PRODUCTS

Green Drain

- Stops bugs and pests from entering the facility through floor drains
- One-way valve creates seal to eliminate floor drain odor issues
- No more gases from floor drains
- LEED certified for new building construction. NYC Approved
- Sanitary, eco-friendly and chemical free solution
- Great alternative to a costly trap primer with simple installation, no mechanical parts to replace or maintain, & improved drainage quality

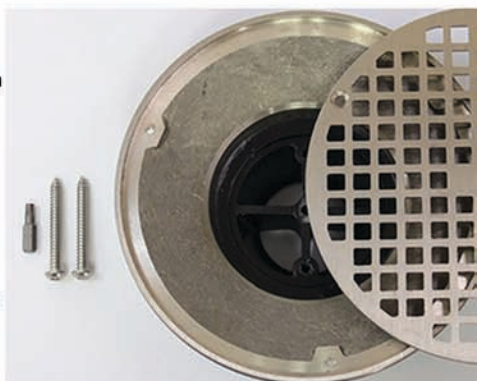

GD102 - 2" Drain - \$39.95
 GD103 - 3" Drain - \$42.95
 GD1035 - 3.5" Drain - \$44.95
 GD104 - 4" Drain - \$49.95

Drain Lock Cross Strainer for Floor Drains

- Designed to keep large debris out of floor drains, and locks down the drain grates in place
- Restaurant employees and outside cleaning crews often remove floor drain covers when cleaning. Without the grated covers in place, food and foreign debris will inevitably enter your plumbing system, causing drain clogs and other plumbing problems.
- Align the holes of the drain cover with the anchor point(s) in the cross strainer. Then use the T#27 tamper-proof screws provided to lock down the cover to the cross strainer. If holes do not align, you can drill a hole in the center of your drain cover.
- See our website for installation video. Optional installation tool sold separately.

CS2000 - 2" Drain - \$24.95 CS4000 - 4" Drain - \$24.95
 CS3000 - 3" Drain - \$24.95 PT1801 - Installation Tool - \$14.95
 CS3500 - 3.5" Drain - \$29.95

Domed Safety Baskets

These safety baskets are designed to capture and collect the food, debris, trash, and other solid waste that can accumulate in restaurant and commercial kitchen floor sinks. These baskets can fit on top of most dome strainers. Measure the inside of the floor sink before ordering.

DSB6001 - 6" Domed Safety Basket - \$29.95
 DSB6501 - 6.5" Domed Safety Basket - \$29.95

GUARDIAN DRAIN LOCKS

Guardian Drain-Lock Hybrid Series

Stop paying costly plumbing bills because food, garbage, and large debris is being swept down your drains. The Guardian Drain Lock was specifically designed to protect your floor sink drains and plumbing lines. It can be installed in seconds, but prevents staff, cleaners, and others from removing it. Tamper-proof bit socket sold separately.

DGDL-2000 - Hybrid Series for 2" Drains - \$34.99

DGDL-3000 - Hybrid Series for 3" Drains - \$39.50

DGDL-4000 - Hybrid Series for 4" Drains - \$49.50

Tamper-Proof Bit Socket

Use this tamper-proof bit socket to lock and unlock your Guardian Drain Lock products.

GDLOCK2T40 - For 2" Guardian Products- \$11.00

GDLOCK34T45 - For 3" & 4" Guardian Products- \$11.00

Dome D-LOCK Locking Dome Strainer

The Locking dome strainer is perfect for restaurants and commercial kitchens that need to replace a dome strainer. We suggest using it with a Drain-Net strainer to keep food, debris, and trash from entering your pipes. The Dome-D-Lock is made of durable cast aluminum and prevents tampering and removal of the dome strainer. Tamper-proof bit socket sold separately.

DGDL-DOME 2000 - Dome-D-Lock 2" Drains - \$46.95

DGDL-DOME 3000 - Dome-D-Lock 3" Drains - \$58.95

DGDL-DOME 4000 - Dome-D-Lock 4" Drains - \$63.95

Guardian Floor Drain Locks

*Protection for
your floor drains!*

Floor Drains made with Nickel-Bronze tops

Guardian Floor Drain Locks

The Guardian FLOOR Drain-Lock replaces old, broken, or stolen drain grates with an identical drain cover that features our patented locking system. Your typical drain cover can easily be removed with a screw driver, but this Drain-Lock requires a unique tool so that only the appropriate staff can remove the cover and access your facility drains.

PRO-TECH™ DRAIN LOCKS

Pro-Tech™ Drain Lock with Security Bolt

Tamper-proof solution to keep solids, debris, and trash out of the drains and plumbing system. This product will lock down floor drains, floor sinks, mop sink basins, and just about every drain in your commercial facility! The security wrench tool or security bit needed to install these is sold separately.

PTDL-20-SB (for 2" pipe) - \$29.95

PTDL-30-SB (for 3" pipe) - \$32.50

PTDL-40-SB (for 4" pipe) - \$36.75

Pro-Tech™ Dome Lock with Security Bolt

The Dome Lock, commonly found in floor sinks and mop sinks allows water to flow freely into pipes but stops larger items from passing through. The security wrench tool or security bit needed to install these is sold separately.

PTDM-20-SB (for 2" pipe) - \$37.50

PTDM-30-SB (for 3" pipe) - \$39.50

PTDM-40-SB (for 4" pipe) - \$45.75

Pro-Tech™ Debris Screen

Removable mesh cover that can be added to Pro-Tech Drain Locks 3" and 4" flat models only. It helps keep small food particles from entering your facility drain lines.

PTDL-SM316 - \$3.95

Wrench tool

Installation Tools

To install and lock your Pro-Tech Drain Locks, please choose at least one of the following. The Security Bit fits standard drivers. The Wrench Tool is an all-in-one tool that does not require a driver.

PTDL-W60 (6" Long Wrench Tool) - \$13.50

PTDL-BIT2 (2" Security Bit) - \$7.50

Security Bit

Easy to Install

Installation tool sold separately

PRO-TECH™ DRAIN LOCK

LOCK & STOP DRAIN LOCKS

Lock & Stop Drain-Lock

This is a 100% Stainless Steel Drain Lock that locks down your drain covers so that staff or cleaning crews cannot sweep trash and other objects down your drains. It is incredibly strong, and can work with odd size drains! Because the bolt expands and contracts, this drain lock will work on almost any size drain you have. Choose the size that is closest to your drain (2", 3", or 4"). If there is not a hole in the center of your drain cover, you may have to drill one. Installation tool and tamper-proof bit socket included.

LS020 - Lock & Stop for 2" Drains - \$39.20

LS030 - Lock & Stop for 3" Drains - \$41.44

LS040 - Lock & Stop for 4" Drains - \$43.68

Universal Locking Drain Cover

We've combined our Lock & Stop with a round Universal Drain Cover! Installation tool and tamper-proof bit socket included.

MOP SINKS

Mop Sink Basin Strainer

DSM-100 - \$99.99

Disposable Filters

DSM-F - \$18.95

- With the dimensions of 21" wide x 21" x long x 8" tall, this strainer fits most standard mop sinks.
- Hard plastic strainer sits inside the mop sink, and the fine-mesh filter fits over the plastic strainer.
- Filter keeps small debris such as dirt out of drains
- Disposable for quick and easy clean up
- Prevents dirty mop water from clogging up drains!
- Prevents mop strings from clogging your drains!
- Available in custom sizes and shapes!

Place strainer in mop sink

Place fine mesh filter on the strainer

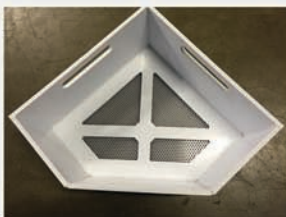

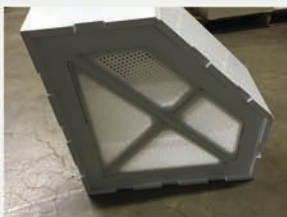

Dump dirty mop water onto filter and watch how much debris it captures!

When filter gets full of debris, throw away and replace with a new filter, keeping mop sinks clean and free from drain clogs!

Custom Mop Basin Strainers

We can fabricate custom mop basin strainers for odd size basins out of durable plastic and stainless steel. Simply all or Email us your specs for a quote!

Mop Sink Defender

The Mop Sink Defender bacterial puck contains live bacteria, which removes build-up from fats, oils and grease in the drain line, along with all nasty odors.

As liquids run over the top of the blue bacterial puck, it will start to shrink and release the bacterial puck slowly into the drain line. No more clogged drain pipes. Simply place one blue puck next to the drain cover in the floor or mop sink. Replace as needed (typically lasts 8 to 12 days).

MSD-05 - 3 Pack - \$22.45

Wet Floor Sign with Cordless Floor Dryer

CFD-6000 - \$399

Now commercial facilities can dry the floor with a continuous flow of air in 360 degrees and up to 15 feet in diameter. While drying the floor, it also warns pedestrians of a potential slip hazard using standard 36 inch floor cones.

This unit is cordless and rechargeable and the battery runs up to 12 hours! It fits Rubbermaid and Lamba Systems 36" safety cones. Meets OSHA and ANSI standards.

- Dries floors 360° around unit and up to 15' in diameter
- Reduce risk of slip and fall accidents!

Dry floors up to 90% Faster!

FLOOR DRAINS & FRUIT FLIES

36" Long Drain Brush with Splash Guard™

DB001 - Cleans 3" & 4" Drains - \$29.99.00

DB002 - Cleans 2" Drains - \$29.99.00

- 36" flexible wire allows brush to easily access hard to reach floor drains
- Splash Guard™ to ensure that anything (such as drain cleaning chemicals) splashing out of the drain on removal hits the bottom of the Splash Guard™ and not the user's clothing, shoes, etc.
- Polypropylene bristles and three wire twist design to ensure the brush doesn't fall apart
- Single bristle design for max strength and cleaning power
- Poly Ball on the end to guide smoothly through elbow turns in drain pipes

64 oz Bottle Organic Drain Treatment Liquid

DNMML64FL - \$59.95 or case of 6 for \$289.02

Drain-Net's Organic Drain Treatment Liquid is a superior biological treatment for degrading F.O.G. (fats, oil, grease) and other organic waste that cause blockages and odors in drains, pipes, and plumbing systems.

Innovative 64 oz bottle design that allows you to pour the right dosage directly into the drain without measuring, diluting, or creating a big mess. It contains no emulsifiers or added enzymes.

Invade Hot Spot Foaming Drain Cleaner

IHSF016 - \$14.95

IHSF016 - \$136.45 (Case of 12)

Probiotic foaming cleanser containing premium microbes that are natural, eat scum, and eliminate odors. This 16 oz can of ready to use foam can get in any crack, crevice, or drain. It's the easiest way to clean insect breeding grounds in restaurants, kitchens, and commercial areas!

QuickClean Foam-L

QC20220A - \$39.95 or case of 6 for \$209.95

Clean drains, floors, and hard to reach areas in your commercial kitchen with our quick acting drain foam which breaks down FOG's and eliminates fruit fly breeding sites. Our commercial Quick Cleaning Drain Foam for commercial kitchens and restaurants prevents and controls the buildup of fats, oils, and grease (FOG's) plus small fly breeding sources.

2 Gallon Foamer

FSPU002 - \$164.95

Commercial pump-up foamer, delivering rich, thick foam. Includes fan spray nozzle and 18" extension wand. Replacement parts available.

"A FLY KILLER!"

KILLS FLIES, COCKROACHES & SPIDERS

- Guaranteed Elimination
- All New Time Released Vapor Technology
- Clean & Odorless

PROTECTION FOR UP TO 4 MONTHS

Fruit Fly Insecticide Vapor Strip

FFBP-10 - \$99.99 (10-pack)

This is an easy, EPA approved, do-it-yourself commercial pest control solution! Drain-Tech's Fruit Fly Strip is a silent, odorless, colorless killer that attacks and treats the problem area at its source. One treatment lasts up to 4 months without shutting down your business a single hour! Once freed from its specially fabricated foil package, the exposure to air activates the key ingredient. Like an air freshener, the time released vapor fills the air and every crack and crevice of an approximate 200 cubic foot space, and will kill the specified insects in this space.

Got Fruit Flies?

Fruit Fly Destroyer

All-natural bio-based formulation that will kill fruit flies in the larva stage (the babies) before they are born by getting to the source of the problem.

FFD-32 - 8 oz Concentrate Bottles -

Individual - \$5.95 Case of 9 - \$49.95

FFD-31 - Starter Kit - \$24.95

(Includes 4 x 8oz bottles, pouring funnels & large spray bottle)

Want more All-Natural Products?

Try our full line of **Drain Defender** products that combat Fruit Flies, Grease, Grime, Fats, Oils, Molds and Malodors!

Visit our website or request a Drain Defender Catalog

The Drain Defender line of products are light years ahead of any other cleaning and drain solution products on the market today and will save you time, money, and hassle when it comes to keeping your spaces clean and fruit fly free!

COMPARTMENT SINKS

Drain Armor - 3.5" Locking Sink Strainer

- Made in the USA from super impact resistant polypropylene for a superior tamper-proof drain locking solution for compartment sinks
- Fits any 3.5" sink drain including lever drains!
- Helps prevent emergency calls to the plumber or drain jetter for drain line blockages
- Made of non-porous material and polished smoothed for easy cleaning
- Mold & mildew resistant and chemical resistant
- Only one bolt for easy installation
- Specially designed to keep debris out, but allow great water flow rates

DA3500 - \$29.95 (1 Drain Armor & 1 torx bit)

3 1/2" Flat Drain Strainer

3.5" kitchen sink drain strainer fits in most commercial kitchen sinks to filter out food scrap. Fits Twist / Lever Handle Valve Drains.

KSS35R - \$6.99

Commercial Sink Stopper

Hold the water in your sink! Easy-to-use solution when your sink doesn't have a lever / twist waste valve. Made of brushed stainless steel.

STP-3500 - \$14.58

Scrap Basket Sink Strainer

This large plastic strainer prevents debris and food solids from clogging commercial sinks and mop sink drains.

SBFM-1411 - \$24.75 - 14" x 11"

SBFM-1915 - \$29.85 - 19" x 15"

SBFM-2117 - \$39.75 - 21" x 17"

Organic Waste Digester for sink drains

A superior powder blend for degrading F.O.G. (fats, oils, grease) and other food waste that causes blockages and odor, in pre-measured doses of 4 ounces sealed in a biodegradable clear pack that instantly dissolves when dropped into water. Prevents drain clogs caused by F.O.G.

MMD-254WS - \$29.00 for 10 pack

Wash-Rinse-Sanitize Stickers

Bring your kitchen up to code with these sink labels. Clearly labeling your three-compartment sinks is a great way to implement an effective workflow.

WRS1 - \$2.99

COMPARTMENT SINKS

Pre-Rinse Sink Scrap Baskets

Made of durable plastic, this kitchen sink strainer fits in a kitchen sink to filter out food scrap. Helps speed clean up time and helps prevent drain clogs.

KSS17 - 17" x 17" Square - \$72.99

KSS18 - 18" x 18" Square - \$73.99

KSS20 - 20" x 20" Square - \$74.99

KSS24 - 24" x 24" Square - \$74.99

KSS12R - 12" Round - \$72.99

KSS15R - 15" Round - \$74.99

KSS17R - 17" Round - \$29.99

Stainless Steel Pre-Rinse Basket

Easily collect and throw away food scrap and food waste before it goes down your commercial sink with this stainless steel pre-rinse basket. Fits the standard 20" x 20" dish rack. Made of durable type 304 stainless steel.

D102-1125 - 2.25" Deep - \$153.50

D102-1151 - 4" Deep - \$177.22

Food Scrap Scoops

Quickly and easily scoop out the food scrap and debris in your compartment sink. Helps prevent scrap and debris from entering the drain and pipes, preventing drain clogs and backups.

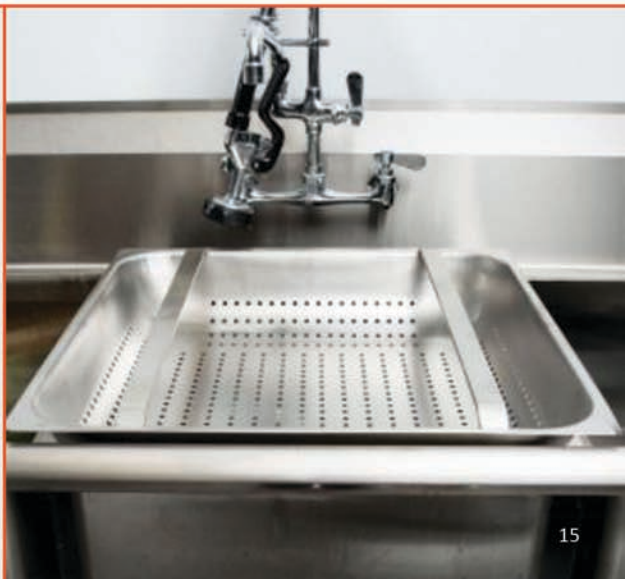

DN-SS3Q - 3 Quart Scrap Scoop - \$6.50

SU-B - Flat scoop / scraper - \$7.89

Custom Pre-Rinse Sink Baskets

Compartment sinks can come in all sizes. We can build a pre-rinse basket that fits your sinks perfectly. Simply let us know the dimensions and any other specifications. Help stop drain clogs from food waste and prevent plumbing problems at your restaurant!

BEVERAGE DRAIN LINES

Manual method for cleaning beverage drain lines

An often overlooked area at restaurants and foodservice facilities is the soda fountain and/or beer tap dispenser, and in particular, the associated tray area and drain lines. Although seemingly harmless, the dispenser tray and drain lines regularly become a breeding ground for the growth of fruit flies as well as cold water mold and clogged drain lines. We offer specially formulated, slow-release, all-natural compounds that sit beneath the tray grate and will activate with normal operation without special attention. Using the Defender discs along with our specially designed brushes will ensure your drain lines are clean and bacteria free.

Beer Tap Dispensers

Beer Line Cleaning Brush
66" long brush, perfect for cleaning out bacteria buildup in drain-lines and draft lines

D20N01-111 - \$9.95

Beer Tap Defender
Thin out thick beer yeast and cold water mold build-up in drain lines.

BTD-07 - \$24.95 (16-pack)

Soda Fountain Dispensers

Beverage Tray Drain Tube Brush
5' long flexible wire brush with rubber easy-guide tip.

DTB-50 - \$23.50 (+ Cleaning Agent)

DTB-49 - \$19.95 (Brush only)

Beverage Tray Defender
Maintenance-free, slow-releasing disc that cleans out cold water mold

BTD-06 - \$21.60 (6-pack)

Auto-Dose method for cleaning beverage drain lines

Beverage Line Cleaner, is a digestant product made up of beneficial bacteria and enzymes that prevent the formation of sugar snakes and general carb-buildup when used regularly in the beverage line drain. Avoid the complications, and disposal of sugar snakes with regular use of Beverage Line Cleaner. Maintain your drains with little day-to-day effort by using the AutoDose. With a wall mount and bucket mount model and multiple powering options, it will fit where you need it.

Beverage Line Cleaner
Use 2.5 ounces per inch of drain line width on a daily basis
BLC-5 - \$129.00 (5 Gallons)

Auto-Dose Dispenser (Wall Mount)
Includes A/C adaptor, mounting bracket kit, polyethylene tubing, cable ties, injection fitting, and ceramic weight.
D1190 - \$269.95

'Sugar Snakes' clog beverage lines

SODA NOZZLES & SODA GUN

Keep the Soda Valve System Clean!

Give your customers a germ-free soda with our Soda Nozzle Defender cleaner. It is a safe and easy to use dissolving action powder formula that removes hardened syrups, sugars, bacteria and mold. It is guaranteed not to crack or deteriorate your nozzle parts.

SND-22 - Soda Nozzle Defender 16oz - \$13.43

SND-23 - Soda Nozzle Defender 32oz - \$22.35

SVB-24 - Soda Valve Brush - \$8.85

Simple And Easy To Use For Any Employee

The Soda Valve Brush, along with our Soda Nozzle Defender cleaning powder formula, removes yeast and black bacteria from inside and outside of the valve system area. The special design of the brush makes it easy to use, and the plastic bristles are safe and FDA approved. Don't miss out on this inexpensive way to make drinks safer for your customers. **NOTE:** Clean brush after each use and allow to air dry. Replace brush after 3 to 4 months.

Remove Nozzles & Diffusers From Valve System

Put 2 scoops of Soda Nozzle Defender powder in warm water

Dip Brush in Soda Nozzle Defender water mixture

Put Brush inside valve hole. Twist and Turn.

Let nozzles soak 3-4 hours (or overnight), rinse and re-install

Soda Gun Jetter

Don't get "dinged" by the health department for dirty soda guns anymore! The Soda Gun Jetter uses only water to "pressure wash" the bar soda gun nozzles so there is never build up of syrup to cause the growth of mold, bacteria and slime, thus eliminating potential food safety violations. It is fully automatic and runs during off hours so bar staff can concentrate on keeping your business more profitable and not waste valuable time ineffectively trying to clean the soda guns. Until now, there has been no fool proof way to properly clean bar soda guns!

Soda Gun Jetter (1-2 Bar Soda Gun Cleaning System with Bluetooth)
SGT-100B - \$699.00

Soda Gun Jetter (1-4 Bar Soda Gun Cleaning System with Bluetooth)
SGT-200 - \$899.00

GARBAGE DISPOSAL REPLACEMENT

Replace your garbage disposal and prevent plumbing problems from your commercial sink

Our Drain Strainers are easily installed under the sink to replace a motorized garbage disposal or as a solution to reduce bulk waste before it gets to your plumbing system or grease trap. Utilizing a stainless steel strainer drawer, they separate and catch food waste from the water, allowing your sinks to drain quickly and your pipes to flow freely.

When the strainer drawer fills up with food solids, simply pull it out and empty into trash. With no electricity or moving parts, it is a simple and effective solution to eliminate plumbing problems in your commercial kitchen!

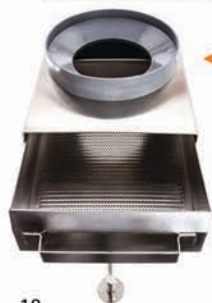

Replace your garbage disposal with a strainer drawer!

shown with no legs

	A6 Commercial Flat Strainer	Garbage Disposal Drain Strainer - Short	Garbage Disposal Drain Strainer - Standard	Garbage Disposal Drain Strainer - Tall
Min Height of Unit	10" (no legs)	16.25"	19" (Drain Plate) 19.75" (Crown Adaptor)	26"
Max Height of Unit	16" (with legs)	16.25"	24" (Drain Plate) 24.75" (Crown Adaptor)	30.75"
Leg Height	6" (Optional +\$85)	6" (adjustable 1/2")	10" up to 15"	15" to 20" (adjustable)
Crown Adaptor	NO	NO	YES (FPS-610C)	YES
2" Inlet Drain Plate	NO	YES	YES (FPS-610B)	NO
2" Outlet Right	YES	YES	NO	YES
2" Outlet Left	YES	YES	NO	YES
Down Outlet	NO	NO	YES	YES
Notes	Very low profile unit to fit in small spaces. Has 4.5" opening on top and 4 legs for added stability. Optional fine mesh strainer for \$75.	Compact design when space is limited. Works as trash interceptor when sinks don't have a garbage disposal.	Standard unit available with drain plate or crown adaptor. Works with 1, 2, or 3 compartment sinks.	Replaces commercial garbage disposals installed on a dish table. Fits standard 34" tall dish table (with sink bowl).
Product Code	GDR-A6	FPS-610A	FPS-610B (drain plate) FPS-610C (crown adaptor)	GDR-A18 (down outlet) GDR-A18S (side outlets)
Price	\$695	\$695	\$695	\$745 - \$795

Crown Adaptor allows for easy connection to a sink which previously had a garbage disposal.

Inlet Drain Plate allows for connecting to multiple sinks. Allows for 18 GPM flow.

How do I choose?

- 1.) Measure the distance from the floor to the bottom of your sink to determine the min and max height of unit you can use.
- 2.) Decide on the type of sink connection you want to use (air gap, 2" inlet plate, or crown adaptor).
- 3.) Determine the outlet (side or bottom) needed.

GREASE TRAPS

Drain-Net is your leader in providing grease management solutions for restaurants, commercial kitchens, and other foodservice facilities. The purpose of grease traps (also called grease interceptors) is to allow separation of solids and grease, to contain them in a holding facility, and to prevent these harmful wastes from entering the main sewer system or septic tank. Traditional metal grease traps are known to corrode due to the high pH level in most waste water. Plumbing and foodservice professionals have therefore turned to plastic grease traps.

Toilet Bolt Caps - Don't Cut Those Bolts!

TBC-14 - Fits 1/4" bolts (most common) - \$6.99

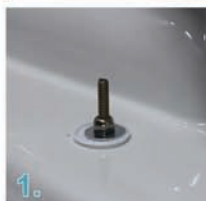

TBC-516 - Fits 5/16" bolts - \$6.99

TBC-Combo - Not sure what size? Get both size bolts - \$11.88

No more cutting or trimming toilet bolts! No more covering up rusty and broken toilet bolts! These toilet bowl caps are tall to cover up these bolts! They are made of hard, high glass plastic to match a porcelain toilet, but they can be painted if needed. Simply screw these caps on, and you're done! Installation takes seconds and is perfect for plumbers, business owners or home owners.

- Designed to fit either 1/4 inch or 5/16 inch threaded bolts. Not sure of bolt size? Get both sizes!
- No more awkward bolt cutting
- No more unsightly loose fitting caps
- Bolt caps are paintable! Match your colored toilet

Traptex® Plumbing Protection System

The Traptex® Plumbing Protection System helps prevent non-flushable items from entering the pipes. This results in fewer maintenance calls for clogs, equipment failures, and plumbing disasters. Each custom, stainless steel Traptex® Guard is designed to fit and features small, laser-cut hooks to catch cloths and wipes before they enter the pipes while allowing toilet paper and solid waste to pass through. By keeping cloths and wipes from entering the drain, Traptex® Guards help change bad flushing behavior. If cloths or wipes are trapped, they can be safely removed with our Traptex® Wipe Retriever for proper disposal. Traptex® helps prevent non-flushables from entering pipes, helping your business avoid disaster!

T-1000 - Traptex® Guard - \$250.00

TX-7104 - Traptex® Retriever Tool - \$4.00

After you place your order, we will send you a caliper and a sizing instructions. You will quickly and easily measure, and then we will send you the correct size to fit your toilet(s). Contact us if you need assistance from a professional installer.

Traptex is a registered trademark of Sage Products LLC. Drain-Net Technologies is a licensed distributor.

Urinal Basket

Fits American Standard 6541 & 6050. Eliminates clogged drains and maintains fresh odor with cherry fragrance.

D13557 - \$14.50

Wave 3D Urinal Screen 2-pack

Patented urinal screen releases more than twice the active ingredients as look-alike screens, over 30 days to keep the urinal and restroom smelling fresh.

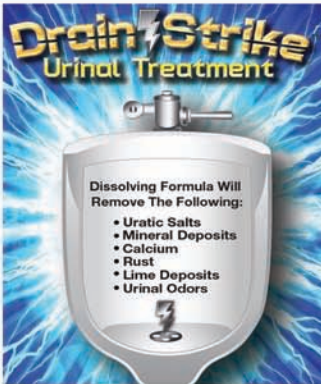

Mango - \$5.86 Cucumber - \$5.86

Urinal Screen Retriever Tool

We've made a bad job better with this tool that enables you to remove urinal screens without sticking your hand in the urinal.

SURT - \$14.50

Drain Strike - High Performance No Acid Urinal Treatment

Safe and easy-to-use pre-measured 4 oz. bottles helps clean and maintain urinals, eliminating clogs, odors, and buildup. With regular treatments, clogging is gone, pipes run freely, and odors will be removed with a pleasant fragrance.

Drain Strike is: Non-toxic, non-fuming, non-caustic, non-flammable, biodegradable, and safe on all plumbing including metal, pvc and plastic.

Can also be used in waterless urinals. Suggested use is 1 bottle every 2 weeks.

DST-17 - 6-Pack - \$28.85

NEW! Peel & Stick Urinal Mat

Our Peel & Stick Urinal Mat nonwoven material stands up to regular mopping and high traffic use while providing exceptional protection, and odor control by wicking moisture to the surface to allow it to rapidly evaporate. Easy to use and disposal.

Performance - Proprietary nonwoven material stands up to regular mopping and high traffic use while providing exceptional protection, and odor control.

Space Savings - On average over 47% smaller than competitors' products allowing for twice the number of units to be warehoused or stored in the same amount of space as traditional urinal mats.

Ease of Use - From the easy peel, stick, and use installation to the simple removal and disposal, this mat is easier to use than traditional urinal mats

Traction - NFSI Certified as HIGH-TRACTION, thus reducing the potential for slips and falls.

PSUM-06 - \$36.95

DUMPSTER GREASE & ODORS

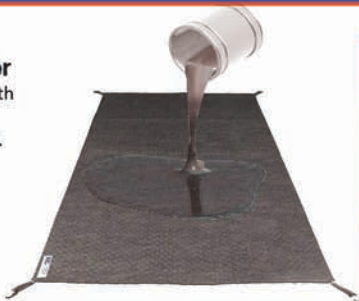

Dumpster Pad Grease Absorber

Many food service facilities have to deal with unsightly grease that spills around their dumpster and cleaning it up is very difficult. Most people try to pressure wash grease down their sewers. However, this is no longer an option since the EPA considers grease a pollutant. That's why it is more important than ever to keep your grease dumpster clean.

- Dimensions: 55" x 96". Installs directly under your dumpster or grease container.
- Uses uniquely designed 3 stage mat that is UV stable so it won't degrade even in the harshest weather
- Increases the life of your pavement and saves you from costly asphalt repairs
- Holds 5 gallons of petroleum and fat based liquid (like grease!) but repels water
- Helps you comply with environmental regulations and EPA clean water mandates which can result in 10 to 15 thousand dollar fines (per reg. 16743 EPA).

LG-5596 - Dumpster Pad Grease Absorber - \$199.95

LG 5596 Filter - Replacement pad - \$94.95

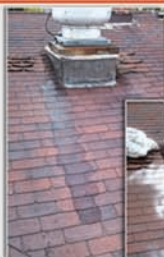

Grease Away

Grease Away is a biodegradable grease emulsifier engineered to neutralize, breakdown and dissolve the remnants of fat based greases and oils left on roof tops and parking grease dumpster enclosure areas.

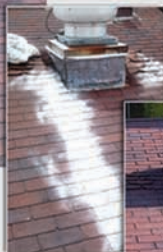

Simply sprinkle the fine white granular beads on the grease saturated surfaces and within a week the harmless by-product of grease can either be rinsed away by hose or the next rainfall. Its that simple! GreaseAway turns acidic grease into a base which has a safe PH level and is environmentally approved by the EPA. It's that simple.

DGA-Single - Grease Away 1 lb Shaker - \$25.95

DGA-5GAL - 5 Gallon Pail w/ two shakers- \$394.00

BEFORE

AFTER

Dumpster Cure

From industrial sized dumpsters to store sized trash cans, Dumpster Cure™ has the strength to freshen your entire complex. Simply cast granules into empty dumpster or on top of debris. Cast as many granules as needed to cure the odor and fly issues. Keep your patrons happy while dining outside and reduce offensive odors from trash shoots and trash compactors.

DC14 - Dumpster Cure 14 LB Bag - \$34.95

ROOFTOP GREASE PROTECTION

Grease Gutter

The Grease Gutter revolutionized the rooftop grease containment aspect of restaurant maintenance and safety. It performs the job better than any product before it, and still does. The Grease Gutter is easy to install and even easier to maintain.

Use the Grease Gutter High Capacity with true 360 degree duct design to capture grease discharge applications. For units where these don't fit, there is the Grease Gutter Sidekick with a single-sided design.

DNGG-800 - Grease Gutter High Capacity - \$795.95

DNGG-RF - Replacement Filter for Grease Gutter HC - \$84.95
