

You can trust your drains are protected with Pro-Tech!

The Pro-Tech™ Drain Lock is a tamper-proof solution to keep scrap, debris, and trash out of the drains and pipes. No more calling a plumber and waiting for them to arrive while the restaurant staff stands on wet floors. Reduce expensive plumbing bills associated with drain jetting! This product can lock down floor drains, floor sinks, mop sink, and just about any drain in your building!

- ✓ Expanding teeth grips the pipe without damage as bolt tightens
- ✓ Made with a super impact-resistant composite polymer
- ✓ Fully assembled one piece unit that installs in seconds
- ✓ Can stand up to harsh chemicals & hot fluids
- ✓ Features a stainless steel rust-resistant security bolt
- ✓ Fine Mesh Strainer option available
- ✓ Proudly made in the USA!

Pro-Tech with a Stainless Steel Drain Cover

- ✓ Lock down any floor drains
- ✓ Perfect for replacing missing drain grates
- ✓ Simple to install, with no screws to lose
- ✓ Reduce drain clogs from exposed floor drains
